The screenshot shows a website with a blue border. At the top, there is a red banner with white text that reads "How To Write and Publish your own eBook... In as little as 7 days". To the right of the banner is a small 3D figure sitting at a laptop, and a red arrow pointing right with the word "New" inside. Further right is a yellow starburst with "v2.0". Below the banner is a black bar with white text: "New and Updated Secrets! - Step-by-step Kindle Publishing! - Includes NEW 72-Hour Method!". Below this is a navigation bar with links: "Home", "Support", "Product Access", and "7 Day Ebook 'Hall of Fame'". The main content area has a yellow highlight that says "(Completely Revised & Updated – Now includes Amazon Kindle!)". Below this is the main headline in blue text: "How to write, publish, & sell your own OUTRAGEOUSLY Profitable eBook in as little as 7 days – even if you can't write, can't type and failed high school English class!". At the bottom of the main content area is a large black rectangular box.
